

Booster Club Technology Drive 2014

The Booster Club's mission is to support the ongoing technology needs of George White Elementary School.

The future is here!

More and more schools are creating multimedia classrooms with student laptops, tablets, interactive whiteboards, iPads, iPods, Chromebooks, etc...

These are the classrooms of the future.

Last year CUSD upgraded our network and wireless connectivity to handle more hardware on our campus. With your support and a match program from Mr. David Pyle we purchased and installed 18 Smart Boards. We are still in need of additional Smart Boards to fulfill our goal of an interactive whiteboard in every classroom. To meet the requirement that students complete the new Common Core assessment using a computer we wish to continue providing additional technology to increase computer skills, access, and usage.

PTA (\$150) + Booster Club (\$50) = Support for GW Student Success
Each student who donates the requested amount will receive a free GW spirit t-shirt.

-----Please cut Here-----

Yes, I want to make a donation to GWES Booster Club to support our school!

I plan to support both PTA and Booster Club.

Please indicate t-shirt size. Youth S M L XL Adult S M

Name _____ Check Number _____

Student _____ Teacher _____

*Please make checks payable to GWES Booster Club.

*Booster Club and PTA work together to support all students. Please submit a separate check for Booster and PTA since they are two separate bank accounts.

All donations are appreciated and voluntary.

The Booster Club is a 501(c)(3) organization and donations are tax deductible.

Not printed at CUSD Expense.
